"In life we learn in school we nurture the spirit for life" STRIVE ON

28th February 2022

Dear Parents & Community Members,
 Kia Ora Koutou Katoa,

A second full week of school to celebrate and reading all the Friday class emails and going for my daily walk through the classrooms I can see the learning coming alive!

If you haven't done so, please go into your child's SEESAW account as some great learning is published and the children love it when they see comments on their work. (Don't we all!).

We welcome **Frankie Briggs** (Demi's sister) to Room 1 and **Cruise Tana** to Room 6. Lovely to have you both join us.

Today we started our week with some cricket coaching skills and we will end the week with the middle and senior school swimming sports. I enjoy hearing all the laughter and enjoyment coming from the pool every day and seeing the improvements many of our swimmers are making. Welcome to March this week!
