"In life we learn in school we nurture the spirit for life" STRIVE ON

2nd May 2022

Dear Parents & Community Members,
 Kia Ora Koutou Katoa,

A warm and healthy welcome back for term 2. I hope everyone has enjoyed some of the wonderful weather and opportunities to travel further afield during the holiday break.

It has been lovely to talk with everyone today and to see some very happy faces (both big and small) here at school.

This term our theme is **Ecological Sustainability** and this will be linked into weekly themes. Next Monday class newsletters will go home outlining the term for each class.

We are excited to have a building team on site from 23 May (approximately) to work on renovating Rooms 8&9. We have hired the Community Hall to house these classrooms while they get a well-deserved spruce up. Exciting! We will outline more specifics closer to the date as we need to make some changes to our end of school day pick-ups as well as Rooms 8&9 routines.

We spent \$24,000 from our bike grant during the holidays and are looking forward to an array of wheeled 'things' arriving! If the bikes below belong to you they must be picked up from school as we will not have room to house them when our new resources arrive.

I have attached the COVID newsletter that I sent home yesterday just in case you haven't seen it. Any questions or queries please contact me.

Also attached today is our Term 1 School newspaper sharing a selection of stories from all our classes. Children who have had their work published will receive a hard copy of the newspaper today. We hope you enjoy reading the many and varied stories shared.

Have a wonderful first week back.
 Take care.
